Yankee Candle Fall Fundraiser

What a great fundraiser this turned out to be! Thank you to all the parents and children that turned in orders. St. Peter made a \$5000 profit on the Yankee candle fundraiser. Congratulations to all! **Candles will be delivered by the 2nd week of November.**

Holiday Fair

November 18th and 19th

This event is for the kids at St. Peter to shop and purchase something for their family. By helping out around the house, doing their chores and perhaps doing public service projects, they can earn money for their family Christmas gifts. We work with a company that supplies us with the gifts and we do the rest! We set up tables displaying the gifts and each class gets a chance to shop. This is an event that the children really enjoy.

Birthday Party for Jesus

December 3rd

What better way to celebrate the Christmas season than having a Birthday party for Jesus! After all **HE** is the reason for the season. It is a social event for the families of St. Peter. There are carnival games, prizes, crafts, food, and cookie decorating. This event offers the middle school children (6th – 8th grade) to volunteer their time by running the games. Let us know if we can count on you to help out that evening. What great fun and fellowship for the whole St. Peter Family.

Restaurant Night Out

Join us On November 15th at Culver's, 20% of the proceeds go to our school! December will be at Lou Malnati's on December 13th.

Jamba Juice Friday

If you have not already paid for the whole year, you can still order Jamba Juice for your children. It is \$2.50 per month (delivered to the classrooms the last Friday of the month. You can pick up a form at school or go on St. Peter's website, under PTL and print a form.

Coffee And...

The second Friday of every month, we will have coffee and bakery goods for the parents. After you drop off your kids drop by the front lobby for breakfast and fellowship. The PTL will be there so it is a great time to ask questions and ask how you can help our children.

Help us Earn Money and Supplies for the School

Check out the different ways to earn money and supplies for the school. We will continue with the Box Tops and Campbell labels as well as adding several more vendors to the list. We have also added other programs. Please refer to the flier and start taking advantage of these programs today! Thank you to **Teresa Buse** for chairing this program.

Scrip Program

This program is available throughout the year. This is an easy way to support the school and any easy way to get gifts cards from various retailers, restaurants, gas stations and food stores. When you purchase a gift card (at no additional cost to you), the company will give a percent of the sale to the school (ex. \$50.00 gas card = the school receives 3% back from the gas company). Thank you to **Teresa Buse** for chairing this program.

Coming Soon....

Father and Daughter Gala

Friday, February 11th. This event is for fathers and their special girls. This is an opportunity for the daughters to get dressed up and have a night out with their Dad. There will be snacks, drinks, pictures, crazy dancing and a lot of fun. The girls love to dress up and the dads can even purchase a corsage for their daughter. We need a few volunteers to help decorate, take pictures and lend a hand at the snack and drink table.

Mother and Son Event

Friday, March 4th. This event is a social gathering for the mothers and the special men in their life. Stay tuned for the event itinerary. Previous events included Magicians, mystery theaters, dinner and games.

The third Tuesday of every month there will be a P.T.L. meeting. It will be in Junior High Room #207 at 7:00 p.m. Parents are welcome and encouraged to attend!

Don't forget the P.T.L. website link, when you get a chance take a look at it. We hope you will find it informative and comprehensive.

The PTL board is hoping that you would consider volunteering for at least one event in the school calendar year. Volunteering is a great way to help support our kids and show them how to help others. Stop by and visit the PTL table, look for the sign-up sheets and invest in your child's future.
